

A website for your business from just £50+VAT per month

Squarezone will help you build a business website quickly and easily using a domain name of your choice.

There is no software to download so you can update your website at any time, from any computer. The system is also multi-user so the workload/responsibility can be shared.

GDPR

Our websites are GDPR ready and automatically include a Privacy Notice. We also provide lots of advice and guidance to ensure your company is compliant.

Apps

There are several built-in apps to help you to run your business, for example:

Mailing Lists: on-line sign-up to mailing lists to keep your customers/prospects informed.

Action Lists: on-line free form 'spreadsheets' to help control projects, shared with your staff.

Schedule or Rota: on-line schedule/rota to list tasks and allocate personnel

Staff database: on-line database of staff names, addresses, job function etc including photograph. May be assigned to committee/group for group/generic email.

Equipment database: Effective asset register showing who has the equipment currently.

Customised template

Working with you and using your business colour scheme we will create a professional looking website template.

Squarezone is an easy to use, full screen website editor - if you can send an email you'll find updating your page easy-peasy. You can add/edit text, add images, graphics, tables, videos and a gallery whenever you wish. Add extra pages as you go along without additional cost.

Update your website occasionally, weekly or daily - to suit your business. Too busy? Take advantage of our [Updates Option](#).

Personalised email system included

Based on your domain name, a personalised email address will give your emails a professional appearance. The email system is protected by spam filtering and virus checking and there is no limit on the number of email addresses. Create personal addresses, generic addresses e.g. sales@ or accounts@ to suit your needs.

We'll help you create a website for your business quickly and easily:
